Pakistan Labour Federation (PLF) conveys its solidarity support to the working class of Italy Strike on 20 November 2015.

, 19/11/2015

The (PLF) joins its voice with (USB) and the workers of Italy those are demanding their Fundamental and fair Rights against the anti-labor policy of the European Union and its Governments which attacks with the same brutality the workers either in the public and the private sector. The working class in all over the world organized militant, class-oriented and democratic Trade Unions, with internationalist solidarity and in social alliance with the poor farmers, self-employed, youth and women movement has the power to overthrow this policy and open the way for the alternative in favor of the people, a world without exploitation and capitalist barbarity, a world of prosperity and peace. (PLF) Demanding the Government to accept the Demands of the Workiers
